Recommend a friend or business contact today

As a valued customer of Network Rail, we understand that you may know people who are looking for similar properties. To show our appreciation, we will credit your account with a one-off payment of £1,000* if the company you refer successfully completes an agreement with us.

Can you recommend a friend or business contact who is looking for a business property with a rental value of £10,000 or more each year?

Attached are two referral cards for you to give us the names and addresses of people who might be interested.

These are reply-paid so all you need to do is fill them in and post back to us.

We'll credit you £1,000* for each successful referral, so if you successfully recommend two customers, you will earn £2,000 for your account. (This does not mean we are changing the terms of your agreement for paying rent.)

If you need more cards, just call your portfolio manager, or our helpline on **0800 830 840**. Alternatively, you can download a card from our website www.networkrail.co.uk/property

We must receive the application card before any negotiations are carried out with our surveyor. You can ask us for a copy of the scheme rules.

**£1,000 credit where first year's rent agreement is worth over £10,000. For agreements worth less than £10,000 but more than £2,000, £500 credit will be offered.*
